1. Healthy Food and Nutrition Website – Output

The **Healthy Food and Nutrition website** has a fresh green-themed design that represents health and natural food. The top navigation bar contains links such as Home, Recipes, Meal Plans, and Healthy Tips. The homepage has a large hero section with a healthy food background and an **"Explore Recipes"** button.

The website displays different **food categories** such as salads, fruits, vegetables, healthy fats, whole grains, and protein. It also contains recipe cards with food images, descriptions, calorie information, protein details, and a **View Recipe** button. A weekly meal-plan section shows breakfast, lunch, and dinner options with calories. Finally, healthy eating tips are displayed in simple cards.

2. Yoga and Meditation Website – Output

The **Yoga and Meditation website** uses a calm purple-themed design to create a peaceful wellness environment. The navigation bar includes Home, Yoga Poses, Classes, and Membership options. The hero section introduces the website with the message **“Find Your Inner Peace”** and a button to join a class.

The website contains cards for different **yoga poses**, including their names and benefits. A meditation section presents techniques such as mindfulness, breathing exercises, and guided meditation. The **Class Schedule** is displayed in a table containing the day, class, time, and instructor. The membership section provides Basic, Premium, and Family plans with their prices and features.

3. Travel Agency Website – Output

The **Travel Agency website** has a bright blue and orange travel-themed design. The navigation bar contains Home, Destinations, Packages, and Inquiry sections. A large hero section welcomes visitors with **"Explore the World"** and provides a button to view holiday packages.

The destination section displays popular locations such as **India, Bali, and Paris** using attractive destination cards. The holiday package section provides details about destinations, trip durations, included activities, and prices. A sample itinerary shows activities for each day of the trip. The website also includes a **Travel Inquiry Form** where users can enter their name, email, phone number, destination, travel date, and trip requirements.
